PETITION TO FILE ON BEHALF OF NON-SIGNING INVENTOR (37 C.F.R. §1.47(b))

Assistant Commissioner for Patents  
Washington, D.C. 20231

Sir:

Applicant respectfully petitions to file the application on behalf of the non-signing inventor, Mr. Layne Britton. Support for this petition appears in the STATEMENT OF FACTS IN SUPPORT OF FILING ON BEHALF OF NON-SIGNING INVENTOR (37 C.F.R. §1.47(b)).

Respectfully submitted,

**STATEMENT OF FACTS IN SUPPORT OF FILING ON BEHALF OF NON-SIGNING INVENTOR (37 C.F.R. §1.47)**

This statement is made as to the exact facts that are relied upon to establish the diligent effort made to secure the execution of the declaration by the non-signing inventor for the above-identified patent application before deposit thereof in the Patent and Trademark Office.

This statement is being made by the available persons having first-hand knowledge of the facts recited herein.

**RECEIVED**

**JAN 29 2002**

**OFFICE OF PETITIONS**

I, MARY WARINNER, attempted to contact the inventor in the application in question, Mr. Layne Britton, on several occasions, including on or about April 16, 2001, April 17, 2001, May 1, 2001, June, 2001, and August, 2001. I left a message for Mr. Britton regarding the nature of the call, and to return my phone call on at least one of those occasions. Mr. Britton never returned my phone calls. Since I did not have a forwarding address for Mr. Britton, I was not able to send Mr. Britton the application, drawings, and oath/declaration for signature.

Dated: 12.18.07

5285 SW Meadows Rd.  
Suite 101  
Lake Oswego OR 97035

I, DEBBIE PELOQUIN, attempted to contact the inventor in the application in question, Mr. Layne Britton, on several occasions. During our first conversation on or about October 8, 2001, I introduced myself and the nature of the call. I explained to him that an application naming him as an inventor was filed, and that we needed his signature on an oath/declaration and an assignment. I was able to obtain Mr. Britton's current address, and forwarded the documents to Mr. Britton on October 8, 2001 (see Exhibit A attached hereto). The documents were received and signed for by a "Britton" on October 10, 2001. We currently do not have receipt of this, but we obtained this information from the carrier's hotline.

On or about November 7, 2001, I called Mr. Britton to remind him that the signed documents were needed. I left a message with Mr. Britton, but he did not return the phone call.

On or about November 7, 2001, a second attempt (see Exhibit B attached hereto) was made to send the documents to Mr. Britton. However, on or about November 13, 2001, the documents came back as being "undeliverable" (see Exhibit C attached hereto).

I, LIBBY HOPE attempted to contact the inventor in the application in question, Mr. Layne Britton, on several occasions, including December 7, 2001 and December 10, 2001. One phone call was a failed attempt as Mr. Britton did not answer the phone. The second phone call resulted in about a 10 minute conversation with Mr. Britton, explaining the nature of the call. I explained to Mr. Britton that he was the inventor on an application which required signatures on associated documents. Mr. Britton appeared to not know what I was talking about, and explained that he would look for the documents and call me back. I explained that there was a very fast-approaching deadline to which Mr. Britton responded he would call me back by "10:00 the next day" (December 8, 2001). Mr. Britton did not call back the next day or any subsequent day. I have not been able to get a hold of Mr. Britton since speaking with him on December 10, 2001.

7  
It is respectfully submitted that the inventor in the application in question has by his actions refused to sign papers, as corroborated by the statements above. Furthermore, as evidenced by the statements above, diligent efforts have been made to obtain executed documents from the non-signing inventor, Mr. Layne Britton for almost 8 months now, but to no avail. Consequently, filing on behalf of a non-signing inventor under 37 C.F.R. 1.47(b) is necessary.

Examiner: Not Yet Assigned

**STATEMENT ESTABLISHING PROPRIETARY INTEREST BY PERSON  
SIGNING ON BEHALF OF NONSIGNING INVENTOR**

- I. I, LIBBY H. HOPE, employed at 8055 E. Tufts Avenue, Suite 1300, Denver, CO 80237, am the person signing the declaration on the above-identified application on behalf of the non-signing inventor and make this statement as to the facts establishing proprietary interest.
- II. As of the date I signed the declaration for this application, the proprietary interest in this invention belonged to REPLAYTV, INC., and I am authorized to sign the statement on behalf of the company, my title being Attorney at Law (California 167066; Colorado 30008; USPTO 46,774).
- III. Although there is no assignment or written agreement to assign, a sufficient proprietary interest is demonstrated by the attached  
STATEMENT ON BEHALF OF ENTITY WITH SUFFICIENT  
PROPRIETARY INTEREST THAT NONSIGNING INVENTOR WAS  
EMPLOYEE OR OTHERWISE OBLIGATED TO ENTITY WITH SUFFICIENT  
PROPRIETARY INTEREST WHEN INVENTION MADE and LEGAL

MEMORANDUM IN SUPPORT OF PROPRIETARY INTEREST establishing that a court of competent jurisdiction would, by the weight of authority in that jurisdiction, award title in the invention to the legal entity on whose behalf I have authority to sign.

- IV. PROOF OF NEED TO PREVENT IRREPARABLE DAMAGE OR PRESERVE THE RIGHTS OF THE PARTIES: Since signing on behalf of the non-signing inventor is by an entity showing a sufficient proprietary interest, this statement also recites facts as to why this action was necessary to preserve the rights of the parties or to prevent irreparable damage. Since this application has already been filed, failure to take this action will result in the application becoming abandoned and is, therefore, necessary to preserve the rights of the parties.

Respectfully submitted,

**STATEMENT ON BEHALF OF ENTITY WITH SUFFICIENT PROPRIETARY  
INTEREST THAT NONSIGNING INVENTOR WAS EMPLOYEE OR  
OTHERWISE OBLIGATED TO ENTITY WITH SUFFICIENT PROPRIETARY  
INTEREST WHEN INVENTION MADE**

I. I, LIBBY H. HOPE, at 8055 East Tufts Avenue, Suite 1300, Denver, CO 80237, make this statement in support of the STATEMENT ESTABLISHING PROPRIETARY INTEREST BY PERSON SIGNING ON BEHALF OF NONSIGNING INVENTOR in the above-referenced application on behalf of the entity with sufficient proprietary interest.

II. I confirm on behalf of the entity with sufficient proprietary interest that the omitted inventor, Mr. Layne Britton, made the above-identified application while in the employ of REPLAYTV, INC. (hereinafter REPLAYTV), formerly a California corporation having had a principal place of business at 1945 Charleston Road, Mountain View, CA 94043 at the time that Mr. Britton was hired and employed with REPLAYTV; that REPLAYTV hired Mr. Britton in California; and that the invention to which the application in question relates was created by virtue of Mr. Britton's

employment with REPLAYTV, and performed at least as part of Mr. Britton's duties under his employment with REPLAYTV.

- III. REPLAYTV, INC. was acquired by SONICBLUE INCORPORATED on August 1, 2000 (hereinafter SONICBLUE), a Delaware corporation, having a principal place of business at 2841 Mission College Blvd., Santa Clara, CA 95054. REPLAYTV, INC. is now a wholly-owned subsidiary of SONICBLUE having the same state of incorporation and same principal place of business as SONICBLUE.

Dated: December 19, 2001

By:  \_\_\_\_\_  
Libby H. Hope for REPLAYTV, INC.

## LEGAL MEMORANDUM IN SUPPORT OF PROPRIETARY INTEREST

- I. I, LIBBY H. HOPE, employed at 8055 E. Tufts Ave., Suite 1300, Denver, CO 80237, state that I am duly recognized to practice law in California, and am familiar with the law of this jurisdiction (License #167066).
- II. With respect to the proprietary interest asserted in this invention by REPLAYTV, INC. (hereinafter REPLAYTV) having its principal place of business at 2841 Mission College Blvd, Santa Clara, CA 95054, I have studied the statements made on behalf of the entity with sufficient proprietary interest, and which are filed in this application.
- III. By the weight of authority in California, title of this invention would be awarded to REPLAYTV. My reasons for reaching this conclusion are set forth below.
- IV. At the time that Mr. Britton was employed with REPLAYTV, REPLAYTV was a California corporation, and both Mr. Britton and REPLAYTV were subject to comply with the laws of California. REPLAYTV was acquired by

SONICBLUE INCORPORATED (hereinafter SONICBLUE) on August 1, 2001, and is now a Delaware Corporation.

- V. Under California Labor Code Section 3300, an "employer" means ... (c) Every person including any public service corporation, which has any natural person in service." Since REPLAYTV was a service corporation having natural persons in service, REPLAYTV was an employer of the non-signing inventor, Mr. Layne Britton, at the time the invention was conceived and/or reduced to practice. Likewise, Mr. Britton was an employee of REPLAYTV.
- VI. According to California Labor Code Section 2860, "Everything which an employee acquires by virtue of his employment, except the compensation which is due to him from his employer, belongs to the employer..."
- VII. While the "[m]ere existence of employer-employee relationship is not by itself sufficient to entitle employer to partake of benefits of employee's inventive genius", (Aero Bolt & Screw Co. v Iaia (1960) 180 CA2d 728, 5 Cal Rptr 53), "[w]here employee creates something as part of his duties under his employment, thing created is employer's property unless, by appropriate agreement, employee retains some right in or with respect to product." (Zahler v Columbia Pictures Corp. (1960) 180 CA2d 582, 4 Cal Rptr 612.)
- VIII. As attested to in STATEMENT ON BEHALF OF ENTITY WITH SUFFICIENT PROPRIETARY INTEREST THAT NON-SIGNING INVENTOR WAS AN EMPLOYEE OR OTHERWISE OBLIGATED TO ENTITY WITH SUFFICIENT PROPRIETARY INTEREST WHEN INVENTION MADE, the invention was acquired by Mr. Britton by virtue of his employment with REPLAYTV, and at least part of Mr. Britton's duties under his employment were to invent for REPLAYTV. Furthermore, there was no agreement that gave Mr. Britton the right to retain rights in such creation.

IX. Based on the facts in the accompanying STATEMENT BY PERSON HAVING FIRST HAND KNOWLEDGE THAT NON-SIGNING INVENTOR WAS AN EMPLOYEE OR OTHERWISE OBLIGATED TO ENTITY WITH SUFFICIENT PROPRIETARY INTEREST WHEN INVENTION MADE, and the statutes and cases cited above, it is the good faith belief of the undersigned that a court of competent jurisdiction would by the weight of authority in that jurisdiction award title of the invention to the applicant herein, and as such, that a proprietary interest by such applicant has been established.
